Rainout Policy

Breckenridge Doubles is a three-day weekend tournament. In the event of rain or inclement weather, play will be suspended until the tournament director determines the conditions safe to continue. No refunds are available.

Sand Divisions will be asked to play in most conditions i.e. you can play on wet sand. In the event that finishing the tournament becomes an issue, double elimination formats play may be abbreviated with caps on games, lower points, or single game formats. In the event that the tournament is cancelled, prizes will be distributed based on wins/loses and point differentials based on teams' finish following the last complete round.

Grass Divisions will be asked to postpone play in dangerous conditions. In the event that finishing the tournament becomes an issue, games may be capped, points played reduced, or number of games reduced. In the event that the tournament is cancelled, prizes will be distributed based on wins/losses and point differentials based on teams' finish following the last complete round.

2011 BRECKENRIDGE DOUBLES PLAYER CONDUCT CODE

Players are expected to act in a professional and adult manner on and off the court. Steamboat has been gracious enough to not only invite us to use their parks for the weekend, but the local businesses have also supported the tournament over the years. All we ask is that the players respect the town and its residents and businesses. If we receive complaints about a player or a group of players from a local business, condominium complex, hotel, the police etc. or if we witness inappropriate actions by participants, on or off the courts, the player in question, and his or her partner, condo mates, etc will be removed from the tourney and future Breckenridge/VOTR productions. In other words, drink all you want, party all you want, but keep it in check and respect the Town of Breckenridge!!!!
